<sup>1</sup> Speak with an RBC mortgage advisor to learn more.

<sup>2</sup> If the interest rate that you are eligible for decreases and you qualify for a lower rate, you must contact your mortgage advisor within the 120 day period prior to your closing date to request a revised pre-approval letter. It's important to note that qualification for a lower rate is not automatic. Qualification for a lower rate is subject to RBC's standard lending criteria. You must proactively reach out to your mortgage advisor to confirm eligibility and provide the mortgage advisor with the necessary documentation within the stipulated timeframes.

<sup>3</sup> Refund not applicable to construction draw mortgages. If you apply and are approved for a mortgage with Royal Bank of Canada, a processing fee will apply to your mortgage, and will be calculated and charged at the time your mortgage funds are advanced. The processing fee may be refunded if your mortgage is funded at the interest rate guaranteed for the original rate commitment period provided at time of firm approval. Additional conditions apply. For more information, speak with an RBC mortgage advisor.

<sup>4</sup> For qualified builders only. Confirm with your RBC Advisor if the home you are purchasing is eligible to be fast tracked using an RBC blanket assessment.
